As 40+ year Y members and supporters, my wife and I along with our three sons, their wives and our seven grandchildren have enjoyed and benefited from its many programs and activities; we encourage all to experience, enjoy, and support our community JEWEL by becoming members of the YMCA Heritage Club.

PRESERVING THE Y FOR FUTURE GENERATIONS

Getting started with estate planning can seem daunting. But it can bring peace of mind to your loved ones during a challenging time.

The Heritage Society recognizes individuals and families making a bequest or planned gift to the Y through their estates. Their names will soon appear on a donor installation, centrally located near the Y's main lobby.

Making a gift that lasts a lifetime is not an age thing... it's a heart thing.

A good estate plan can ensure that your philanthropy continues in your absence and that what is important to you today carries on into the future.

You can add to the legacy you have so thoughtfully built.

WAYS TO GIVE

If you would like to extend your support to the YMCA of Rapid City and make a lasting impact, you can choose from several gift arrangements.

- Remember us in your will with an outright bequest of cash or securities
- Create and fund a Charitable Gift Annuity
- Give retirement plan assets
- Arrange a charitable trust
- Add the Y as a beneficiary of your life insurance policy
- Set up a bank savings account with the Y as the beneficiary

A planned gift enables donors to maximize the impact of their assets while supporting the mission of the Y. Gifts may be unrestricted or designated to support endowment or specific programmatic priorities of the Y.

Some gifts may be fully tax deductible or offer other tax advantages.

Donors are encouraged to discuss their options with legal or financial advisors.
