

2024 SUMMER DAY CAMP

NEVER GIVE UP!

Giraffic Park Day Camp
(Entering 1st–6th Grade Fall 2024)

As we travel through life, we encounter many twists and turns. Through our adventures at camp, you will reach your full potential and realize you are more capable than you know!

Spend your summer making new friends, exploring nature and learning new skills, while making memories that last a lifetime. Y Giraffic Park covers 56 exclusive acres in the Black Hills with activities geared for all skill levels and age groups. Activities include staff led STEM and art projects, literacy, cultural awareness, active physical games and hikes as well as field trips to local areas. Develop perseverance through the character development principles of Honesty, Caring, Respect and Responsibility while becoming more independent and learning to work within groups. See how much you CAN DO!

See registration form for full details on payments and cancellations.

Camp, like many Y programs, is about achievements, developing character and building relationships. However, few environments are as special as camp, where kids belong to a community.

They learn how to be more independent and also how to contribute to a group as they engage in physical, social and educational activities.
