CUSTER YMCA SUMMER DAY CAMP

Get ready for an exciting summer of fun and Journey Through Time!

Activities are designed toward interest and skill levels appropriate for each age group. All activities promote the four core values of Honesty, Caring, Respect, and Responsibility. Camp, like many Y programs, is about achievements, developing character and building relationships. However, few environments are as special as camp, where kids belong to a community. They learn how to be more independent and also how to contribute to a group as they engage in physical, social and educational activities.

Students must be entering grades 1-6 Fall, 2025.

HOURS: 7:30AM to 5:30PM
